Summer Camp Information:

As the summer sun brightens our studio, it's essential to prepare your child for a fulfilling dance experience. Ensure they arrive by 8:45 am and are promptly picked up at 4 pm, setting the tone for a productive day. Encourage a neat and secure fit by having them pull back their hair in a bun, and prioritize safety by leaving jewelry at home, as it's not permitted during class.

We emphasize the importance of packing nutritious snacks like fresh fruits and vegetables. These small, healthy bites can significantly contribute to your child's well-being and energy levels during their summer dance journey. Your cooperation in these matters ensures a positive, vibrant, and safe summer session for all participants. Let's collectively make this a memorable and enriching experience for your child.
